

StampPDF Wrapper for making softcopies of documents on letterheads

By : Mahesh Chhatbar Email : [mareshchhatbar@gmail.com](mailto:mareshchhatbar@gmail.com) Mob : +91 9819203992

This utility is simply to help generate a pdf which has been stamped on a letterhead which too is a pdf.

My effort was simply to combine the facility of drag and drop and a commandline syntax of pdftk server
